## SAVINGS SLEUTH, SOLVE THE MYSTERY CREDIT UNION YOUTH WEEK 2013

What kid wouldn't want to throw on a trench coat, dust off an old magnifying glass and slap on a play mustache to become a detective for a day? Children everywhere are intrigued by the thrill of mysteries and the detectives that solve them. Little do these kids know they also have the ability to tap into detective mode by investigating ways to save and becoming a credit union savings sleuth during the month of April at the credit union.

Introducing children to their inner savings sleuth will help lead them down the path of saving. Visit Riverview Credit Union on Friday, April 26<sup>th</sup> and help us celebrate National Credit Union Youth Week. This year's theme, "Savings Sleuth, Solve the Mystery," shows youth and teens how RCU can help them use their own instincts and credit union resources to meet financial goals.

Whatever young sleuths are saving for, we at RCU can give them the clues they need to investigate ways to save. So bring your savings sleuth on April 26<sup>th</sup> to enjoy free refreshments and giveaways all day long.
