CATCH THE \$AVE WAVE CREDIT UNION YOUTH WEEK 2014

Kowabunga! This April youth will be riding the save wave into the credit union. Whether they've surfed or not, youth love digging their toes in the sand, playing with beach balls, and jumping in the waves. During the month of April, kids will have the opportunity to feel like they're at the beach when visiting their credit union as they get tips on how to surf and save.

Like surfers, young savers need tools and techniques to improve their skills. And we're here to help youth start on the path to healthy savings habits. Visit Riverview Credit Union on Friday, April 25th and help us celebrate National Credit Union Youth Week™. This year's theme, "Catch the \$ave Wave™," highlights tips and resources available at the credit union to boost good habits and "hang ten" on the save wave. Through lots of practice, young surfer savers will learn the secret of riding a gnarly wave that will help them achieve big-time savings.

So bring your saving surfers into RCU on April 25th and we'll show them how to grab some air and carve through the save wave. Enjoy free refreshments and children's giveaways all day long!

CONGRATULATIONS JANICE VAN HORN!

It is with mixed emotions that we announce the retirement of our CFO, Janice Van Horn.

Janice has worked in the banking industry for 32 years, dedicating twelve of those years to Riverview Credit Union. She began work here as a bookkeeper before assuming the responsibility of Chief Financial Officer.

After retirement, Janice plans to travel and spend more time with her husband, Paul; children, Mindy & JB; and grandchildren, Austin, Isabella, Hannah, and Rylie. Although we will all miss Janice, she has worked hard all of her career and has certainly earned the opportunity to enjoy more time with her family and grandchildren.

On behalf of the board and staff, we would like to thank Janice for her dedicated service to RCU. We will have cake and refreshments at both offices on Friday, May 23rd. Please join us in wishing Janice "all the best" in her retirement!

TRAVELING WITH YOUR DEBIT CARD

As we get into the warmer months we realize that many of you will be traveling out of town. If you plan on traveling, please notify us so we can update your debit card. This will ensure that your card will not be blocked after using it while out of town. Please call us if you have any questions.
