Spring Issue: First Quarter 2015

47TH ANNUAL MEETING HIGHLIGHTS

Our 47th Annual Membership Meeting was held Friday, February 27th at the Marietta Country Club. The theme for the evening was “Building a Brighter Future, Together.” During the dinner hour, our featured speaker, John Wharff, Owner Jawco Inc., and President, WMOA/WJAW Radio, shared many interesting stories. Each one illustrated the relationship between cause and effect using the concept of “Event + Response = Outcome”, recently popularized by The OSU Buckeye football team.

Riverview's CEO, Mike Iaderosa, provided an overview of key 2014 accomplishments and objectives for 2015. During the formal business meeting Mark Miner and W. Layne Marks were re-elected to serve a three-year term and membership overwhelmingly approved the proposed new by-laws.

WILD ABOUT SAVING CREDIT UNION YOUTH WEEK 2015

This April, youth can take a walk on the wild side at RCU. Whether they've been to the jungle or not, the call of the wild is enticing to youth of all ages. This year, they can check out the credit union's financial menagerie without a trip to the banking zoo.

All month long, youth will have the opportunity to go on safari at the credit union as we celebrate National Credit Union Youth Month™. This year's theme, “Wild About Saving™,” encourages youth to use resources available at the credit union to help them cut their way through the jungle of financial responsibility. Before long, they'll be leading their own savings safari.

So bring your zoologist into RCU and get them wild about saving! Join us Friday, April 24, for free refreshments and children's giveaways all day long!
