

Riverview's News

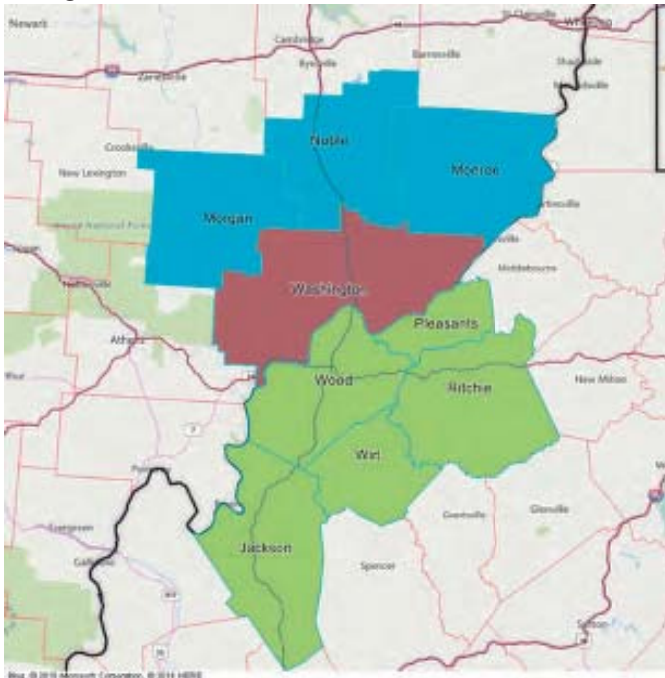

Fall Issue: Third Quarter 2018

A NEW RIVERVIEW CREDIT UNION

Over the past 50 years, you, our member-owners, have trusted the leadership of the volunteer Board of Directors and management to make key decisions to meet the needs of Riverview's membership. During this time, those decisions have resulted in a continued evolution of our product and service offerings, our branch locations, and our technology.

Earlier this year, the Board and management began the process to expand our field of membership to reach new potential members in additional counties on both sides of the Ohio River. To accomplish this goal, a decision was made to change Riverview's charter from a state charter to a federal charter.

On September 12th, we held a special meeting of our members. At that meeting, the membership overwhelmingly approved the proposal to convert to a federal credit union. We are extremely excited about the change to a federal charter!

Beginning October 1st, any person who lives, works, worships, or attends schools in Washington, Noble, Morgan, or Monroe Counties in Ohio, or Wood, Pleasants, Ritchie, Wirt, or Jackson Counties in West Virginia is eligible to become a Riverview member.

Our current members will always remain members, even if they are outside this nine-county field of membership. Immediate family members of a current Riverview member and organizations operating in our field of membership also remain eligible to join.

While our charter is changing, our commitment to our members, our dedication to first-class service, and our support of the local communities will remain unchanged. We would like to welcome our new potential membership and encourage all our current members to spread the word and invite your friends and family to join your credit union!

INTERNATIONAL CREDIT UNION DAY

On October 18, 2018, Riverview will join with credit unions around the world to celebrate the 70th anniversary of International Credit Union Day.

This year's theme is "Find Your Platinum Lining". It combines the traditional gift of platinum for 70th anniversaries with a play on the saying "every cloud has a silver lining".

Credit unions all over the world will be celebrating the history and the success of the "People-not-Profit" philosophy. This year's theme emphasizes the credit union movement's loyalty to its members and its mission to provide them financial support and guidance.

While International Credit Union Day has been observed annually since 1948, the first credit union can be traced back to the 1840s and a group of workers in Rochdale, England. Today, there are over 235 million people served by credit unions in 109 countries and 6 continents.

On October 18th, members and the public are invited to stop by either of our offices to learn more about Riverview or the credit union movement. We will provide a FREE lunch, along with great giveaways, cash drawings, and live radio remote. Again this year, two local food trucks will begin serving lunch at 11:30 AM.

CALL TO ANNUAL MEETING 2019

Planning for the 51st Annual Meeting of our membership is currently underway. This meeting is one way our members can exercise their membership right to have a say in how their credit union is run. It also allows us to update our members on the state of the credit union. We anticipate the annual meeting to be held in April 2019. Watch our website and social media channels for more details as they unfold. Each voting member will receive a formal notice stating the time and place of the meeting at least 30 days prior to the actual meeting date.

GET ON BOARD!

Being a credit union member means you're an owner – and that means you could qualify to serve as a volunteer on the board of directors. The Board of Directors typically meets once per month to set the policies and direction of Riverview, so serving on the board is a great way to become more involved with your credit union.

There will be two positions up for election at the 2019 Annual Meeting. Any voting member of the Credit Union who has been in good standing for at least 6 months at the time of the annual meeting is eligible to serve as a director. If you would like to be considered, please submit a resume or brief bio to Riverview Credit Union, ATTN: Nominating Committee, 39 Acme St, Marietta OH 45750, by no later than the close of business on December 14, 2018, so we can meet the election deadlines established by our By-Laws.

INVESTING IN OUR COMMUNITIES

Annual Gospel Mission Food Drive. As a means of demonstrating “People Helping People”, we are pleased to host the 4th Annual Food Drive to benefit the Gospel Mission Food Pantry located in Marietta, Ohio. During the entire month of October, we will collect food and other basic necessities to help those less fortunate in the Washington County area.

Our employees, members, and the local community were very responsive to the prior food drives and we hope to make this year's even better! So, please drop off your donations at either office in Belpre or Marietta. Don't have time to shop? We also will be accepting cash donations in both offices. Thank you for helping make a difference in our community!

Financial Literacy. In 2017, we formed a new partnership that will help the future generation develop better financial habits. Through a sponsorship with Dave Ramsey, we're excited to provide financial literacy curriculum to our area high school and middle school students!

For the 2018-2019 school year, all six school districts in Washington County will be receiving this curriculum which teaches both middle school and high school students how to save, budget, avoid debt, spend wisely, and invest.

The skills taught will help students build confidence in their own financial decision-making, from managing a checking account and paying bills to purchasing their first car. We believe the concepts are critical to forming good money habits early in life will improve their lives forever.
